In this class may be found the various articles on exhibition not enumerated in our Premium List.

NOTE 1. Judges are requested to call the attention of the Discretionary Committee to all articles entered in the several classes which are worthy of a premium, but in no case to make an award of premium to an article not enumerated on the premium list of the Society.

NOTE 2.—It shall be the duty of the Discretionary Committee to examine all such articles as shall be recommended to them by the judges on the various classes, together with those to which their attention may be directed by the numbered cards (19) on each, and also any article they may deem worthy of premium, which is not specified in our List. But in no case are they to make an award in any class unless their attention has first been called to it by the judges of said class.

All Discretionary Premiums to be referred to the Board of Managers.

Rules and Regulations for the Government of the Fair.

DIRECTION TO COMPETITORS.

1. Competitors at the Fair must become members of the Society, and have certificates of membership; which must be shown to the Secretary before any entries can be made. They must also be citizens of the county, and owners of the property exhibited for premiums.

2. Numbered cards must be attached to all articles, stock, &c. for exhibition, which will be furnished by the Secretary—being an exact copy of his entry—but the names of the owners strictly excluded.

3. All animals and articles must be on the ground before 10 o'clock A. M., on Thursday 1st, (second day of the Fair) that they may be arranged in readiness for examination by the Judges immediately thereafter. Articles may subsequently be offered for exhibition, but not for a premium.

4. The same article cannot be used to take a premium in two different classes.

5. Exhibitors are not to make themselves known to the judges, unless it becomes necessary to the examination of stock, machinery, &c. Judges must not be interfered with in any manner, by any person.

6. Competitors for field crop premiums must present certified statements of disinterested persons.

7. No animal or article entered for premium can be removed until the close of the Fair, except by special permision. All stock, &c. will be subject to the order and direction of the Board of Managers.

8. Hay or straw for stock will be furnished free of charge, and grain at cost price, and an abundance of water will be on the grounds, for all purposes.

9. No premiums will be paid until thirty (30) days after the Fair, and all premiums sent for will be paid only on a written order to the Treasurer of the Society, (Jos. C. Wilson) to be retained by him as a voucher for the same. In all cases premiums to be receipted for to the Treasurer.

10. A Committee will direct as to the location of any article which may be placed on exhibition.

11. The Board of Managers will spare no pains to accommodate competitors in every respect; every precaution will be taken for the safety of all articles on exhibition, but will in no case be liable for any loss or damage that may occur.

Instructions to Judges.

1. All the judges are required to report themselves at the Stand, at 2 o'clock, on Thursday, otherwise vacancies will be immediately filled up by the Board. They will make full and detailed reports, and return them to the Secretary before 3 o'clock, on Friday. The judges must confine themselves [illegible] in their several Departments [illegible] the Premium List. When a [illegible] is presented, they are to [illegible] Discretionary Committee.

2. Judges will not award first premiums upon indifferent objects with little or no competition; But may award premiums of a lower grade, or no premium, as they shall deem proper.

3. Judges will not permit exhibitors to make themselves known unless it becomes necessary to the examination of stock, &c.

4. Judges are required to make a note of every article that comes before them, as the Board wish to make a full report, with the name of the owner attached, but will not award premiums upon articles of animals not enumerated in their own particular class, but such as they think worthy they will recommend to the attention of the Discretionary Committee.

5. Judges will in no case award a premium to any article the card of which is marked second-day entry.

6. Judges will permit no person to be present at their examinations, except as above directed.

7. No person will be permitted to serve as a Judge if he or she may be competing for a premium in the same Class, or in any way interested.

General Rules.

1. Certificates of Life Membership ($10 each) admit all members of the family to all the privileges of the Society, except males over 21 years of age.

2. Certificates of annual membership ($1) give all the privileges for the year, including succeeding election, and admit to the Fair Ground during the Exhibition the heads of a family and children residing at home, except males over 21 years of age. Single tickets (25 cents each) will be good for one admission only.

3. All articles in the Manufacturing or Mechanical Department must be made in the county, and within a period of one year previous to the present Fair.

7. All carriages, buggies, &c., used in the ring, must be driven outside of the grounds immediately after training.

8. All carriages, wagons, or vehicles of any kind, coming within the enclosure (except the provisions in rule 6th and 7th,) must be entered for competition, and have a numbered card placed thereon. None others can be admitted.

9. All persons having horses to exhibit or train in the ring are required to show their Certificate of Membership, both at the Stock gate and entrance to the ring.

A. The Board of Managers which includes the officers, will be present on the grounds and will be pleased to give any information to competitors or others who may desire it. The Managers will have an Auctioneer to sell any animal or article, exhibited, which the owner may wish to dispose of, on the third day.

B. The Secretary of the Society, (J. R. Harrah,) will be ready to receive entries for two weeks previous to the Fair, and would earnestly request all who can, to make application before the Fair, as it will facilitate arrangements that may be made for their accommodation.

In presenting the foregoing List of Premiums, the Board beg leave to call attention to the fact that it has undergone a thorough revision, and correction, and they would invite an attentive and careful perusal, feeling that in variety and extent (if not in aggregate amount of premiums offered) it is not surpassed by that of any other County Society in our State. Taking these facts into consideration, the Board would cordially invite all to compete, hoping that we may have an exhibition which will prove alike creditable to our Association and to the Agricultural interests of our county.

J. R. HARRAH, Secretary.

FRIGHTENED TO DEATH BY A SNAKE.—Snakes are said to be more plentiful this season than was ever before known. Scarce an exchange reaches us that does not contain one or more horrible snake stories. The latest is told of a young lady in Snyder county, Pennsylvania, who was in the garden picking berries. A piercing scream from her alarmed the rest of the family, who were at the tea-table. Hastening to the spot, they found her lying on the ground insensible. She was carried into the house, and all to relate, examination proved that she was dead. Her friends, on proceeding to prepare the body for interment, were horror-stricken to find an immense, black snake coiled tightly around her person, beneath her clothing. There being no evidence of the snake having bitten her, the inference was that the young lady died from fright.

A PROVINCIAL Judge, who was a great bore in his way, called upon Dantra, wishing to see him. "Tell him I am in bed." "Sir, he says he will wait till you are risen." "Tell him I am very ill." "He says he will prescribe some remedy." "Tell him I am in the last extremity." "He says he wishes to say adieu to you." "Tell him I am dead." "He says he will sprinkle you with holy water." "Confound him! let him in."

A WORTHY deacon up in the country, who had been detained several hours by a freshet, astonished his wife on coming home, by remarking, "It was the damned tide that kept me"

"OH for a thousand tongues," as an urchin remarked, when inside of a molasses hogshead.

SCENE at a fashionable city party—low necked dresses a prominent features. Miss Barrelbindings says to her country cousin—"Coz Sam, did you ever see such a glorious sight before?" "Never since I was weaned," replied Sam, blushing.

MASS MEETING!
REPUBLICANS TURN OUT!
Give Another Day to Your Country!

The Republicans of Beaver county are earnestly requested to attend a Mass Meeting in Beaver, on

WEDNESDAY, Sept. 23d, 1868.

The following distinguished persons will be present to address the people on the issues of the hour, viz:

GOV. GEARY, EX-GOV. CURTIN, EX-GOV. TOD, HON. G. A. GROW, HON. A. K. McCLURE, AND HON. THOS. M. MARSHALL.

Other prominent gentlemen from a distance have also been invited to be with us on the occasion. Come one, come all!

Republican Meetings will be held at the following places at the times named, viz:

At Darlington, Sept. 16th, at 1 o'clock, P. M.

At Fairview, Sept. 17th, at 1 o'clock, P. M.

At Industry, Sept. 17, at 7½ P. M.

At New Sheffield, Sept. 18th, at 1 o'clock P. M.

At McCague's School House, Independence tp., Oct. 9th, 1868, at 7½ o'clock, P. M.

Suitable speakers will address the people at the above places, who will be announced hereafter. Other meetings will be hereafter announced at other points in the county.

By order of the Co. Executive Com.
H. HICE, Chairman.

Farmers of Pennsylvania, a vote for the Democratic ticket in October is a vote to tax your own farms. Read the fourth resolution York.

The ordinary expenses of the Government for the last fiscal year were a hundred and forty-six millions of dollars. A reduction has been made in the appropriations for the present year from one hundred and forty-six to ninety-one millions. And yet it is charged that the financial administration of the Republicans is highly extravagant!

Hon. G. A. Grow and Col. A. K. M'Clure will be present at the Mass meeting in Beaver on next Wednesday. If you want to hear good speakers, turn out and listen to them.

Gen. J. B. Sweitzer of Pittsburgh, heretofore one of the most prominent Democrats of that city, and who was only two years ago the Democratic candidate for Congress in his district, has come out within the past few days for Grant and Colfax. He could not go Seymour and Blair, but on the other hand will use all his energy and influence for the Republican nominees and the peace and quiet which their election will bring. Gen. Sweitzer's accession to our party will be worth a large number of votes in Allegheny county

---

Remember the county Mass meeting in this place on 23rd of September. Attend it without fail. It will be the largest meeting ever held in Beaver county, unless the weather proves bad.

Horatio Seymour was chairman of the National Democratic Convention, which, at Chicago, in 1864, declared the war to be a failure, and called for compromise and surrender. He has never apologized for his part in that infamous white-feather gathering, nor has the Democratic party ever officially or otherwise retracted this offensive slur on the bravery and efficiency of the volunteer army. Soldiers, remember this man next November.

Governor Geary, ex-Gov. Curtin and a host of other distinguished gentlemen from abroad will be at the Mass meeting in Beaver on the 23rd of September. Let the people of the county turn out en masse to see and hear these eminent men.

The Republicans of Beaver and vicinity had a glorious demonstration in the Court House here on Tuesday evening of last week. The room was crowded by earnest, intelligent and active Republicans as it has seldom ever been crowded before. The wildest enthusiasm was manifested on the occasion. Speeches were delivered by Senator Taylor, of this place, Hon. H. B. Swope, of Clearfield county, and Hon. Thos. Nicholson of Frankfort Springs. The speeches of all were good, but the one delivered by Mr. Swope was more than good. It was unanimously regarded by those who heard it as one of the best political speeches ever delivered in this place. A close reasoner, and a fine orator, he carried his audience with him at will; and although having spoken one hour and a half they were loth to permit him to cease, and many of them expressed a willingness to listen to him all night if he would but go on. This of course he would not do. After the conclusion of Mr. Nicholson's speech the audience gave three cheers for Grant and Colfax, and then adjourned. The ball is rolling on.

If any person is so silly as to believe that the freedmen of the South would be honestly dealt with and tenderly cared for by their old masters, if left wholly in their keeping, we beg them to look at what transpired in the Georgia Legislature last week. Under the reconstruction acts of Congress the free men of the rebel States are allowed to vote; they are permitted by these laws, if a plurality of the people say so, to hold county and State offices. The new constitutions of the reconstructed States provide for and secure both of these privileges. Under these regulations the blacks of the Southern States voted at the recent elections, were elected as delegates to the constitutional conventions, and subsequently some of them were chosen to fill seats in the Legislatures. Quite a number were thus chosen in Georgia. The Legislature of that State has been in session for some time past. It was pretty equally divided politically. But the rebel members found out a couple of weeks ago that certain laws which they had set their hearts upon passing would be defeated by the colored members. They therefore made up their minds to expel enough of them on account of their *color* to enable them to pass the laws referred to, and forthwith twenty-five colored representatives were ejected from the Legislature and ordered to go home. In vain the Governor of the State protested. No heed was paid to his and their remonstrances, and to-day, although elected under the same laws that these rebels were themselves, they have neither voice or vote in the law-making department of Georgia. They had black skins and loyal hearts, and these were more than white traitors could stand; so they expelled them from seats to which they were legally and constitutionally elected. Suppose these loyal blacks would have had the majority to do so, and expelled 25 disloyal white members of the Georgia Legislature, what a howl would have been raised by the rebels and their sympathizers all over the country? It all turns with them upon whose ox is gored. This high-handed move in Georgia should serve to show the people everywhere that an ex-slave driver of Georgia has about as much tenderness for the negro as the wolf has for the lamb. No more and no less.

Our Democratic friends held a meeting in the Court House on last Wednesday evening. We were not present, but have been informed that the Court room was only about half filled, and of those that were present quite a number belonged to the Republican persuasion. Speeches were delivered by Messrs. Sam B. Wilson and E. P. Kuhn. The speakers are said to have "waded" all the way through. They could get up no "steam," and the result was their hearers were as cold as icicles. The meeting pleased the Democrats less than it did the Republicans who were present at the time.

Seymour's Last Letter.

The constant hammering of the rebel Democrats at the public debt is the best way to prepare the public mind for repudiation. And this is precisely what Horatio Seymour meant when he wrote to his friend Colin M. Ingersoll, of Connecticut, the letter which printed recently, is important enough to deserve a repetition in our columns:

Utica, July 24, 1868. *My Dear Sir:* I have not been able until this moment to answer your kind letter of the 13th inst. *I am gratified with the kindness of my friends, but they have plunged me into a sea of troubles. I do not know how the canvass will go; but now that I am in the fight, I shall do the best I can.* I see the Republicans are trying to dodge the financial issues, and to sink the election into a mere personal contest. Our papers must not allow this [illegible] if you get time I hope you will run up and see me. Mrs. Seymour joins me in asking you to give our respects to Mrs. Ingersoll. I shall be glad to hear from you at all times. Truly yours,
HORATIO SEYMOUR.
Hon. C. M. Ingersoll, New Haven, Conn.

Which, translated into plain English, means do not discuss the rebellion, or my part as its agent and sympathizer, but exaggerate the debt and the taxes, and so bring our national honor into discredit, and make repudiation easy.

The letter is significant in other respects, and full of material for comment, but this view of it is perhaps the most alarming.

Republicans! attend your local meetings. Quite a number of local meetings have been ordered by the county committee. Among these we may mention those appointed at Darlington, Fairview, Industry, New Sheffield and McCague's school house. Let everybody try to attend them. Turn out in your wagons, in your carriages, on horseback and on foot, and make such a demonstration as was never made in these several localities before. Up boys and at them.

The New York *Sun*, which is perhaps, the fairest minded Democratic paper in the city, can't stand Frank Blair. This is its last comment upon Frank's position:

Gen. Frank Blair has written to a man down South to say that some contemptible carpet-bag editor has slandered him. "I have never made," says the General, "any such statement as he attributes to me. On the contrary, I am for that policy which alone can give peace to the country."

This is published as a corrective for the effect of the celebrated Broadhead letter, but it hardly seems to cover the case. In that letter Gen. Blair said: "There is but one way to restore the Government and the Constitution, and that is for the President elect to declare these acts null and void, compel the army to undo its usurpations at the South, disperse the carpet-bag State Governments, allow the white people to reorganize their own Governments, and elect Senators and Representatives. The House of Representatives will contain a majority of Democrats from the North, and they will admit the Representatives elected by the white people of the South, and with the co-operation of the President it will not be difficult to compel the Senate to submit once more to the obligation of the Constitution."

It is not enough, in view of this letter, for Gen. Blair to declare that he is for a policy of peace. Dispersing the existing State Governments of the South by armed force is not peace. Setting aside State Constitutions and the laws of the United States by lawless popular uprising, is not peace. Admitting as members of the House of Representatives those who have been elected contrary to law, and whom the law expressly excludes from membership, is not peace. Compelling the Senate, by the illegal use of the President's authority and of the army, to submit to these violations of the law, and to sanction them, is not peace. All these things, which General Blair proposes to do and to have done, are not acts of peace but of war. The performance of the first and least of them would light the flame of fearful, bloody conflict, and for a time would reduce our country to worse anarchy than was ever witnessed in Mexico or South America. If Gen. Blair and his friends cannot see this, so much the worse for their understanding. The intelligent people of the country see it very clearly; and all the explanations and disclaimers which he may offer them will serve no purpose but to make them doubt his sincerity and question his moral courage.

Grand Republican Rally at New-Brighton—Procession Over a Mile Long—Delegations From All Parts of the County—4000 to 5000 People in Attendance.

One of the largest and most enthusiastic meetings that was ever held in New Brighton took place in that town last Friday. About noon delegations from all parts of the county came pouring into the town. The Marshals succeeded in getting the procession under headway, about 1 o'clock; and after marching through the principal streets, came to a halt in an open lot at the southern boundary of the village, where a stand was erected for the orators of the day. The procession was over a mile in length. Assembled around the speaker's stand were from four to five thousand persons.

This vast concourse of people were called to order by Capt. Geo. S. Barker, who announced the following officers of the meeting:

President—Benj. Wilde; Vice Presidents—New Brighton—Edward Hoopes, Silas Merrick, Benj. Bedison;—Beaver Falls—Jas. Patterson;—Fallston—Wm. Henry;—Beaver—M. S. Quay;—Bridgewater—Capt. Jas. Darragh;—Rochester—Col. Thos. Power—Pulaski—Ephraim Smith;—Chippewa—Wm. Thomas, John Wilson;—Franklin—Robert Francis;—Marion—Shurlock Stone;—North Sewickley—Jacob Gabe;—Secretaries:—Chas. M. Merrick; Geo. M. F. Fields; Alfred G. McCreery.

Benj. Wilde Esq. on taking the chair made a few remarks, and then introduced Judge Shannon of Pittsburgh, who made a very logical and forcible argument, reviewing the general issues involved in the campaign. No greater compliment could be paid to this distinguished orator than to state that he held his vast audience "as of one mind" for over an hour and a half, the rain, at times pouring down in torrents.

After one of these inimitable songs by Pope, the great campaign singer, the Hon. Thomas Marshall of Pittsburgh, was introduced. Mr. Marshall stated that he had been informed that it was the intention to have an adjourned meeting in the evening at Concert Hall, at which time he, with other gentlemen present, would enter upon the discussion of questions that are now agitating the public mind, at some considerable length, and hoped that a few remarks from him at this time would suffice. Notwithstanding this announcement so anxious were the people to hear him, that he was compelled to make an extended speech, much to the edification and delight of his audience.

Mr. Pope and the New Brighton glee club entertained the people with campaign songs, after which the meeting adjourned to meet at 7½ o'clock P. M.

Concert Hall never before was so densely packed with human beings. We doubt whether there was ever such enthusiasm exhibited in any political meeting, at any time, in Beaver county, as was manifested upon this occasion. If this meeting be an index of the feeling of the people throughout the county, the Grant and Colfax majority may be set down *among the thousands*.

The chairman introduced the Hon. John Allison, formerly a citizen of this county and who at one time represented our district in Congress. His old friends and neighbors gave him a warm reception as he took his position upon the stage to plead for those principles and the party which so signally defeated treason and triumphed over armed rebellion, [illegible] an able address of some thirty minutes duration.

Mr. Marshall again appeared upon the platform amid the most tumultuous applause and the most genuine enthusiasm that has been our lot to witness for many years. The Orator excelled himself upon this occasion. It is impossible for us to convey to our readers any proper conception of his speech. The principles of our party and the issues before the people, were ably discussed; the conviction upon every mind was, that the party of freedom, the party of justice and of right, the party of law and of order, the *Republican Party*, led by the invincible Grant, shall and must triumph on the 2d Tuesday of October as a precursor of the brilliant triumph that awaits it in November next.

The evenings entertainment was interspersed with songs by Pope and the New Brighton glee club, and music by the Beaver Falls Brass Band. About midnight the meeting adjourned.
X.

The daily papers of last Monday gave an account of a fearful earthquake along the coast of Peru, Ecuador, &c., in South America, on the 13th of August, whereby thirty-two thousand lives were lost. Cities sunk out of sight in a few moments, and lakes are now only seen where they once stood. Great consternation of course prevailed, and the inhabitants still living are houseless and wretched beyond description. The United States steamships Fredonia and Wateree were at anchor in the harbor of Arica. The Fredonia was dashed to pieces on a reef. Twenty-seven of her crew, together with the captain's wife, were drowned. The Wateree was swept four or five hundred yards inland, and left high and dry between two sand hills. Only one seaman was drowned from the Wateree. This boat was commanded by Capt. Gillis of this place, whose family is now here. They no doubt are greatly rejoiced to hear of his safety. The newspaper accounts above referred to speak very flatteringly of his efforts to extend help to the suffering people surrounding him. Judging from the accounts given in the papers this was one of the most frightful earthquakes ever felt on this continent.

In consequence of the publication of the election proclamation in this week's *Argus*, much of our editorial matter is crowded out.

The Grant men all over the country, are for *peace* in peace times, and for *war* in war times. The cops reverse this and avow themselves in favor of peace when there is no peace, and in favor of war when there is no war. If any one doubts this let him hunt up and read the Democratic platform of 1864 and Frank Blair's letter to Brodhead in 1868. The proof to be found in these documents is conclusive.

The Beaver Falls Republicans had a demonstration on last Wednesday evening which was largely attended. The greatest enthusiasm was manifested on the occasion, and the meeting will no doubt accomplish much good. The Republicans of Beaver Falls are wide awake, and going for the cops with a will.

MAINE!
Have You Heard the News?
Majority 20,000 to 25,000.
BOYS WE ARE DRIVING THEM
THE GREAT TIDAL WAVE
"The Ball That 's Rolling On For GRANT and COLFAX, &c."
REPUBLICAN GAINS EVERYWHERE!

On last Monday Maine held her annual election. The Republicans have gained 10,000 votes since last year. All honor to the Pine Tree State.

A Flimsy Trick.

The coffee colored Democracy are just now engaged in proving that the debt is on the increase. One of the ablest Democratic papers in this State, the *Morning Patriot*, is reduced to extremity to bolster up the charge, and publishes the following comparison of our financial condition:

INCREASE OF THE PUBLIC DEBT.

"As a complete refutation of the standing assertion of the Radical press that the public debt has been *diminished* since the close of war, it is only necessary to give the official figures of Mr. McCulloch, Secretary of the Treasury. According to these, the debt was,

March 31, 1865	$2,336,965,077 34
July 31, 1868	2,532,534,480 67

Showing an increase of the public debt in three years and four months of ONE HUNDRED AND FIFTY-SIX MILLIONS FIVE HUNDRED AND SIXTY-NINE THOUSAND FOUR HUNDRED AND THREE DOLLARS AND THIRTY THREE CENTS.

Unless the figures of the Secretary lie, the Radical press must. At present we are decidedly of opinion that it is not the figures."

It will be observed that the debt *now* is contrasted with the debt on *March 31, 1865*. *After* March 31, 1865, the following disasters befell the Democracy, and the expenses of destroying their armed power is not noticed in the *Patriot's* figures. Grant moved against Richmond on March 29th, and:

April 2, 1865—Jeff. Davis evacuated Richmond.

April 3, 1865—Gen. Grant occupied Richmond.

April 9, 1865—Lee's army surrendered to Grant.

April 9, 1865—Defenses of Mobile captured by the Navy.

April 20, 1865—Howell Cobb surrendered to Wilson.

April 26, 1865—Johnson surrendered to Sherman.

May 10, 1865—The rebel navy surrendered.

May 11, 1865—Jeff. Davis was captured.

May 14, 1865—Kirby Smith surrendered to Canby.

June 2—Galveston (the "last ditch" of Democracy) surrendered.

Total number of Democrats (now supporting Seymour and Blair), captured as above, 174,223. This closed the armed resistance of the Democratic rebellion. Now then for the facts. Secretary M'Culloch (annual report, December 4, 1865,) says the debt was, on October 1, 1865, $2,808,549,437 55. The debt is July 31, 1868 (as above), $2,523,534,480 67. Reduction in two years and nine months $285,014,956 88. TWO HUNDRED AND EIGHTY-FIVE MILLIONS, FOURTEEN THOUSAND NINE HUNDRED AND FIFTY-SIX DOLLARS AND EIGHTY-EIGHT CENTS.

The mistake made by the *Patriot* is that it did not go back far enough. If its object was only to show that the debt is greater now than it was once, the amount due on June 30, 1864, would have served its purpose better. Then it was only $1,740,690,489 49, and a splendid increase would have appeared, and the same amount of good would have resulted to the [illegible].

Any man stupid enough not to see the glaring fraud attempted by the Democratic organ is already a copperhead, or ought to be. No Republican is ignorant enough to be gulled by such stuff. We close by saying that neither the "figures of the Secretary" or the "Radical press" lie in this matter. Who does lie, we leave to the judgment of all who read.—*Har. Tel.*

Our Debt One-Fourth Paid.

It has been usual to state the reduction of our public debt at $250,000,000, that being the amount by which the ascertained debt liquidated at the Treasury by the issue of bonds or other securities has been reduced. We have been careful to couple this statement with the fact that, beside this reduction of the ascertained debt, we have paid about $500,000,000 in back pay, bounties, overdue contracts, transportation, and the other expenses of closing up the war. These were really incurred and due in August, 1865, and should be added to the amount of the debt and the total sum by which it has been reduced. Mr. Edward Atkinson, in a speech delivered yesterday, at Worcester, before the Republican Convention of Massachusetts, presents the actual facts in their true light, showing that the actual indebtedness, liquidated and unliquidated, was on August 1, 1865, $3,287,733,829: that it was on June 30, 1868, $2,485,000,000—being an actual reduction of $802,733,828 in the principle of the debt. By the same rapidity of payment we could pay off the entire debt within ten years. The figures are as follows: The total amount of revenue received by the Government for the three years from April 1, 1865, to June 30, 1868, has been $1,540,058,583. Out of this there were paid for back pay of the Army and Navy and war contracts, within fifteen months after the close of the Rebellion, $774,865,851. And there were paid for bounties, pensions, prize money, reimbursing States for war expenditures, claims of loyal men, Freedmen's Bureau, expenses of Reconstruction, and National Cemeteries, $14,912,401. These two sums amount to a total sum to be added to the National Debt, as it stood on the books of the Treasury April 1, 1865, of 920,778,252. The ascertained debt was $2,366,955,077, making the aggregate of $3,287,733,829, as above stated. We have, therefore, actually reduced our debt by **$802,733,829.**

We can now arrive at the ordinary expenses of the Government, exclusive of war expenditures:

Income 3¼ years..............		$1,540,058,583
War Debt..........	$802,733,829	
War Interest paid......	438,484,383	—1,241,218,212
Ordinary expenses..............		$298,840,371

—or a little less than $92,000,000 a year in currency, or $65,000,000 in gold, while the expenses of James Buchanan's last year were $76,541,000 in gold, or about $11,000,000 in gold more than those of the Government during the past three years. Hand these facts and figures to your Democratic brother who thinks the National Debt cannot be paid and must be repudiated.—*N. Y. Tribune.*

Also, that in the fourth section of the act of Assembly entitled "An Act relating to executions, and for other purposes," approved April 16, 1840, it is enacted that the aforesaid 13th section "shall not be so construed as to prevent any militia officer or borough officer from serving as judge, inspector or clerk at any general or special election in this Commonwealth."

Also, that in the 61st section of said act it is enacted that "every general and special election shall be opened between the hours of eight and ten in the forenoon, and shall continue without interruption or adjournment until seven o'clock in the evening, when the polls shall be closed."

The general, special, city, incorporated district and township elections shall be conducted by inspectors and judges elected as aforesaid, and by clerks appointed as hereinafter provided.

"No person shall be permitted to vote at any election as aforesaid but a white freeman of the age of twenty-one years or more, who shall have resided in this State at least one year, and in the election district where he offers to vote at least ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election: but a citizen of the United States who has previously been a qualified voter of this State, and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in this State six months: Provided, That white freemen, citizens of the United States, between the ages of twenty-one and twenty-two, and having resided in the election district ten days as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

"It shall be the duty of the several assessors respectively, to attend at the place of holding every general, special or township election, during the time said election is kept open, for the purpose of giving information to the inspectors and judges, when called on, in relation to the right of any person assessed by them to vote at such elections, or such other matters in relation to the assessment of voters as the said inspectors, or either of them, shall from time to time require.

"If any person or persons shall make any bet or wager upon the result of any election within this Commonwealth or shall offer to make any such bet or wager, either by verbal proclamation thereto or by any printed or written advertisement, challenge, or invite any person or persons to make such bet or wager, upon conviction thereof, he or they, shall forfeit and pay three times the amount so offered to be bet.

"If any person not by law qualified, shall fraudulently vote at any election in this Commonwealth, or being otherwise qualified, shall vote out of his proper district, or if any person knowing the want of such qualification, shall aid or procure such persons to vote, the person or persons offending, shall, on conviction, be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not less than three months.

"If any person shall vote at more than one election district or otherwise fraudulently vote and deliver to the inspector two tickets together with the intention to vote, illegally, or shall vote the same, or if any person shall advise or procure another to do so, he or they so offending shall, on conviction, be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months.

"If any person not qualified to vote in this Commonwealth agreeably to law, (except the sons of qualified citizens) shall appear at any place of election for the purpose of issuing tickets, or of influencing the citizens qualified to vote, he shall, on conviction, forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding three months."

A FURTHER SUPPLEMENT TO THE ELECTION LAWS OF THIS COMMONWEALTH.

I also give official notice of the following provisions of an act approved June 4th, 1866, entitled "A further supplement to the election laws of this Commonwealth.

The Republicans of Hopewell township held a meeting at Scottsville on last Wednesday evening. After the speaking was over they made some arrangements for the holding of a Mass Convention at New Sheffield on the 18th. Among other resolutions passed was one inviting all the Grant and Colfax clubs on the south side of the river, the Grant and Colfax club of Beaver and all other Republican organizations in the county to meet with them on that day. They expect to have a good time on the day named. The Republicans of Hopewell township are in good fighting trim, and will come to time on the second Tuesday of October without fail.

Grant Club and Boys in Blue—Meeting at Beaver Falls.—Pursuant to public notice given, the above named organizations met at their stand on Wednesday evening last, having first escorted the several clubs from New Brighton. The procession was lead by the New Brighton Brass Band. After the meeting was called to order by the President of the Club, James Patterson, Esq., presented a flag to the Boys in Blue of Beaver Falls, which was prepared by the ladies of the town, in a neat and appropriate speech which was received by Col. Quay, of Beaver, on behalf of the Boys in Blue, in a manner that elicited the applause of the "Boys" as well as all present. All honor to the ladies for this beautiful flag, may it never be dishonored, in peace or in war by the patriotic, loyal young men. After the ceremonies of the presentation the meeting was addressed by Mr. Sam'l. Riddle of Pittsburgh, S. A. Dickey, Capt. Eberhart and Hon. Thos. Nicholson of our County. All the speakers urged the necessity of a combined effort on the part of the loyal people of the land, to stand up for right, and resist the wrong, that we should beware of false security, and abate not our efforts, to beat back the enemies of our country, and preserve it unsullied from the hands of its enemies.

During the progress of the meeting, several wagon loads of Boys in Blue from Bridgewater arrived, who were received with cheers.

A Common Social Evil.

Editor of The Beaver Argus:

We would be pleased to know that your columns, replete with the news of the stirring events of the times, would be, for a moment, open to a few remarks of a social character. Although we cannot be justly numbered among the faithful adherents of what is termed "woman's rights," or by any means a great philanthropist, yet we are in favor of equal dispensation of justice. Woman, to attain her rights, *must* strive herself. She must bring into requisition the powers that as a woman she is gifted with; use them with discretion and earnestness, and by this means gain for herself what she depends on others to acquire for her.

Why is it that a man receives two or three times as much as a woman for performing the same amount of labor? Celery is celery, said the learned and eminent Dr. Ollipod; and labor is labor, we say, *utterly* regardless of who performs it. If we have a coat well made, what matters it to us *who* made it? The requisite amount of time and labor was bestowed upon the fabric, and is it necessary to inquire who executed it—whether it was done by male or female? It was done well and is satisfactory. But there are a great difference between the compensation of women and the compensation of men for performing the same amount of labor. "The present condition of things" allows a man half—perhaps two-thirds—as much again as a woman for performing *the same* labor. Now is this proper? Is it consistent with our boasted principles of equal suffrage? We say, *not at all*. Women are entitled to the same amount of wages as men, for the same quantum of service, and should by all means recieve it. But while they are careless and indifferent about themselves probably but very little will be done to mitigate their condition. They should, as a class, look into the question; examine its workings, and resolve unitedly to better their present circumstances.—And thus they would, beyond a single doubt, be enabled to diminish their excessive toil and increase their paltry wages.

VERITE.

Meeting of the Hopewell Grant and Colfax Club.—The Grant and Colfax Club of Hopewell Tp., met at the school-room in New-Sheffield, Aug. 31st, at 7 P. M.; for the the purpose of completing their organization. G. K. Shannon, temporary President, in the chair.

The committee on permanent organization reported the following officers and committees, which were unanimously adopted: Pres., Wm. M. Reed; Vice-Pres'ts, Thos. McKee, R. C. Scott, G. K. Shannon, Dan'l. McCallister; Recording Sec'y., W. H. Bruce; Corresponding Sec'y., J. W. Scott; Treas., W. M. Calvert; Committee on membership, Sam. Shroades, John White, Joseph Irons, Alex. Young; Committee on Speakers, Jas. Irons, Esq., Jas. Warnock, J. R. McCune, Wm. Irons; Vigilant committee, Valentine Sohn, H. Temple, Chas. Johnston, David McCallister, Johnston White, Dr. Bryan; Committee on Music, C. Mowery, John Boyd, Edie Nevin, Math Patterson, O. R. Shannon; Committee on Printing, Chas. Bruce, G. S. Davis, Robt. W. Scott, G. M. Spalding. After other business of the Club, Capt. G. L. Eberhart of New-Brighton being present, was called upon and responded in an eloquent and pleasing address, discussing at length, the great and important issues involved in the present political contest.

J. R. Harrah, Esq., of Beaver, was then called, who delivered a brief address, which could not fail to convince the weak and wavering, that loyal men, who came to the aid of their country in the time of her need, should rule and not those who sought to destroy her, or those who sympathized with traitors. At the close of Mr. Harrah's address, a vote of thanks was given to the speakers for their able addresses.

On motion the meeting adjourned to meet at New-Scottsville, Sept. 9, at 7 P. M.

By order of Club.

CORRESPONDING SECRETARY.

Found Drowned.—On last Monday morning the body of a young man, name unknown, was found dead in the Ohio river near Vanport this county. He was about 5½ feet high, and had auburn hair. His age was about 25 years. When found he had on him a pair of black pantaloons, and a heavy, dark, cotton shirt, blue gray stockings with white tops, and heavy sewed shoes, with hob nails in bottom. An inquest, presided over by Justice Imbrie, was held over the body of the deceased, who rendered a verdict of death from unknown causes. A heavy wound on the left temple, and what appeared to be a hole made by a knife near the left eye, suggested the probability of death by foul means.

[illegible]—Business of a personal nature took us to Industry, this county, one day last week, and while there we could not help being pleased with the indications of prosperity everywhere around us. Quite a number of [illegible] have been erected since we tarried there before, and others will be soon commenced. [illegible] and the merchants (we believe there are five in the place), have a good run of custom. The Messrs. Becker are a valuable acquisition to the place. They originally belonged to Freedom. They have erected a fine grist and saw mill at Industry and in a short time will build themselves up a good business. In connection with their saw mill they have a planing machine, which enables them to fill all orders in the lumber line that may be left with them. They are very attentive to business, and are already almost indispensable to the growth of the place. We found our old friend J. J. Noss, Esq., deeply engaged in the fire clay brick business. He has an extensive establishment at the mouth of Wolf Run, and is turning off some three thousand brick per day. Those who are competent judges say that his brick are a No. 1 article. He intends making some additional improvements in the future. Clay and coal are very convenient, and the means of getting his brick to market are almost unsurpassed, as his establishment is only a few rods from both railroad and river. We trust that his fondest hopes may be more than realized in his business.—While at Industry we took a stroll over a portion of the farm, (adjoining Industry), owned by Dr. Cummins of Beaver. It embraces 487 acres, and is regarded as being rich in mineral deposits. A stone quarry, about a mile in length and from 50 to 150 feet in depth [illegible] from the southern boundary of the farm. Quite a force of hands are now employed in quarrying stone there, and these, as fast as they are "rough dressed," are taken to Pittsburgh and elsewhere for house building purposes. One or two of the Bank buildings in that city are constructed of stone taken from this quarry. Grind stones are also manufactured from stone obtained here. On this farm, too, we were also shown two large veins of fire clay, which, sooner or later, will be opened and brought into use. The clay [illegible] of a superior quality, and appears to be inexhaustible. The clay of one of the veins is deeply tinted with red and is a wonder to those having some experience in the fire clay business. If not already, these veins of fire clay will, in a short time, be very valuable to the owner. Several veins of coal, ranging from three to four feet in thickness, have been opened on the Cummins farm and promise well. Developement is needed there, and capital, we take it, would unearth a mine of wealth now imbedded in the hills overlooking Industry and the river a short distance below.

The Manufacture of Salt in Beaver County.—We were pleased a year or so ago, to visit the salt works of Messrs. McDonald and French, on Raccoon creek, in this county, and to give our readers a detailed description of these works and the quantity of salt turned out by them daily. It [illegible] are now again to be able to state that another establishment of this kind is at the present time in successful operation in the village of Industry, Beaver county. This one is owned by Messrs. S. B. Briggs, E Blunt, William Briggs and Joseph Ewing. These gentlemen own about twenty acres of land along the mouth of Wolf Run. In partnership with a number of others, they sank a well on this property for oil in 1864. Reaching a depth of 843 feet and finding but little oil, they gave it up, but in the meantime they were not unconscious of the fact of having passed through a heavy vein of salt water. In August 1867, and after having bought their partners in boring for oil out, the four gentlemen above named, tubed the well and tested the amount and strength of the salt water. They found it sufficiently strong and amply abundant to warrant them in erecting works for the manufacture of salt. In February of this year they began the construction of their buildings, and by the middle of June they made their first run of this staple. From that time until the present, they have averaged from 30 to 35 barrels per day. The water is raised from the well by means of a sixteen horse power engine, and appears to be abundant enough to produce three times as much salt as they are now manufacturing. In due course of time their machinery will be so arranged and their works so extended as to enable the company to use much more water than they are using at the present time. When this is done they will have built up a fine, lucrative business, and their product will add considerable to the permanent wealth of the county besides. The salt which they manufacture is an excellent article and sells at from $2.25 to $2.50 per barrel. But a few rods from where these works stand, is a coal bank, [illegible] feet in thickness, and from which a superior article of coal is taken. The salt works are supplied with coal from this bank, at a very low figure. The railroad and river being within a couple of hundred feet of the works give the company transporta tion facilities that are very convenient and satisfactory. The management of these works is entrusted to our esteemed friend S. B. Briggs, Esq., who is in every way qualified to discharge the duties devolving upon him in a satisfactory manner. There is no discount on his energy, capacity, and business tact. On the whole, therefore, we feel like congratulating our Industry friends on having a "good thing" in the salt works of which they are the owners.

Every officer in the army who was dismissed for cowardice and disloyalty was a Democrat.

Every man who denounced Union soldiers as "Lincoln hirelings" was a Democrat.

Every man who denounced greenbacks as "Lincoln skins" was a Democrat.

Every man who asserted that "Lincoln bayonets were shouldered for cold-blooded murder" was a Democrat.

Every man who asserted that "our only hope is in the successful revolution of the South" is a Democrat.

Every man who, during the war, asserted that the Republic was "Dying! Dying!! Dying!!!" was a Democrat.

Every person who conspired to release rebel prisoners and burn Northern cities was a Democrat.

Every member of the Kukiux Klan is a Democrat.

Booth, the assassin, was a Democrat.

Seymour, who addressed a murderous mob as "my friends," is a Democrat.

General Forrest, the Fort Pillow butcher, is a Democrat.

Wirz, the murderer of Union prisoners, was a Democrat.

Dr. Blackburn is a Democrat.

Dr. Mudd, Payne, Atzerodt, and Mrs. Surratt were Democrats.

Wade Hampton, Jeff. Thompson, and Beauregard are Democrats.

Fernando Wood, his brother Ben, the gambler, and John Morrissey are Democrats.

THE CAMPAIGN.

A TANNERS' CLUB has been organized, and is at work at Atchison, Kansas.

A GRANT Club was organized in New-Orleans on the 2d, at which 300 white men enrolled.

MR. A. P. DUDLEY of Calaveras, Cal., has left the Rebel Democracy and is now speaking in behalf of Grant and peace.

THE French Canadians of Plattsburgh, N. Y., have organized a Grant and Colfax Club. In [illegible] and Champlain also, Clubs have been formed.

NEW-ALBANY, Indiana, has a company of Fighting Boys in Blue in each ward of the city. They have sworn never to lay down their torches till New-Albany is redeemed from Democratic rule.

THE loyal men of Lee County, Illinois, are making extensive preparations for a mass meeting at Dixon on Saturday, 12th inst. Senator Yates and Gov. Oglesby have both positively promised to be present.

THE people are awakening in West Virginia. From Laurel Point, Wadestown, Clinton, Stewartstown, Morgan Township, and a score of other places come reports of pole raisings, mass meetings, &c. The people are enthusiastic everywhere.

AMONG the names of Democrats who have been chosen to officer the forthcoming Seymour and Blair torchlight procession in this city, are those of several known thieves. Proof ready in the District-Attorney's office.—*N. Y. Tribune.*

THERE is one Democrat in Goshen, Addison Co., Vermont. He was on the doubtful list this year, but finally voted for Edwards, saying, "I guess I'll do so this time, but all h—l can't keep me from voting for Grant and Colfax in November."

[illegible], late of *The Lebanon (Ohio) Patriot*, and Gen. Vandervoer, both prominent Democrats, have repudiated Vallandigham, the former giving up his connection with *The Patriot* because of Vallandigham's nomination.

THE campaign in Burlington County, New Jersey, is waxing warm. Nineteen meetings, to be addressed by Gen. Rusling, the Republican candidate for Congress, and others, are announced to take place before the 25th inst.

THE Union men of New-Orleans are to have a grand torch-light procession on the 15th. They expect to have 20,000 men in procession. The news from Vermont gives them new courage, and they will repudiate their old tyrants in November by a large vote.

SOUTHERN Democratic papers, as well as their Northern brethren, are alarmed at the speeches of Hampton and his tribe. *The Charleston Courier* says *think* the truth but speak it softly. It can't be done gentlemen. You've shown the dagger in your sleeve, and you can't recall the picture.

JUDGE Dalrymple ordered the notice, "Headquarters of the Democratic party," that he found over the Court-House door, at Newton, N. J., last week, to be removed before he would open court. The notice would look well if posted on the Tombs, and probably would be allowed to remain there.

VALLANDIGHAM and Sam Cary having been posted to speak from the same platform recently in Ohio, each of the gentlemen indignantly disclaimed all knowledge of the announcement, and would not fill the appointment. Vallandigham is ashamed of Cary, and Cary is ashamed of Vallandigham.

A TREMENDOUS large and enthusiastic Republican meeting was held at Omaha on Thursday. The leading feature in the grand torchlight procession was a car beautifully decorated, in which 37 young ladies represented the states of the Union. The procession, exclusively of young men, was a very creditable affair.

REPUBLICAN MASS MEETING!

A Grand Mass Meeting will be held in the FAIR GROUNDS, AT BEAVER, on WEDNESDAY, SEPTEMBER 23rd, [illegible] which the people will be addressed by EX-GOV. TOD, of Ohio, GOVERNOR GEARY, [illegible] CLURE, HON. GALUSHA A. GROW, HON. THOS. [illegible], and others of Pennsylvania.

The people of the several townships and boroughs throughout the County, are cordially invited to be present. And they are requested to [illegible] one-half mile of Beaver, not later than 12 o'clock M. [illegible] positions in the procession. LET THE PEOPLE TURN OUT AND HEAR THE ISSUES OF THE DAY DISCUSSED!

The procession will be under the direction of Gen. Jno. S. Littell, Chief Marshall, Col. M. S. Quay, Capt. J. Weyand and Capt. M. R. Adams of Beaver. Dr. W. C. Shurlock of [illegible], Capt. Wm. F. Dawson of Ohio Tp., [illegible], Capt. D. C. [illegible] of Fallston, [illegible], and Capt. G. L. Eberhart of New Brighton, Capt. T. F. Power of Rochester, assistant Marshalls.

Grant and Colfax Club Organized.—The Republicans of Frankfort, Pa., and vicinity, held a meeting at Frankfort, on Wednesday night, Aug. 26th, 1868, for the purpose of organizing a Grant and Colfax club. The meeting was called to order by electing Mr. John Vance, Chairman. The meeting then proceeded to organize the club by electing the following named persons to fill the respective offices: President, John Vance; Vice-Presidents, Wm. Ewing, Sam'l. Swearingen and [illegible]; Secretary, Alex. Vance; Treasurer, Geo. McConnell; Corresponding Secy., J. H. Ramsey. On motion a committee appointed by the chair, presented a constitution and by-laws, which were adopted and presented to club for signatures. Thirty names were signed. On motion the club appointed the Hon. Thos. Nicholson and Wm. Ewing a committee to procure speakers. A fine wide-awake club has also been organized. The club after being favored by able addresses by the Hon. Thos. Nicholson and James McCallister, adjourned to meet every Wednesday night at 8 o'clock P. M.

OHIOVILLE, Pa., Sept. 12th, 1868.

Editor Argus: I understand that R. P. Knits, of your place is reporting that at a copperhead meeting held at Ohioville some two or three weeks ago, three Republicans, after hearing Mr. Crawford speak, came forward, gave him their hands and pledged themselves to vote for him and for Seymour and Blair. I wish through your paper to say that it is utterly false. His harangue made no votes in this "neck of woods." So says a Republican who was

THERE.

WE THE UNDERSIGNED, HAVING SEEN the PRIZE CHURN, patented July 31, 1866, and Oct. 8, 1867, by the Prize Churn Company, Springfield, Vermont, and being satisfied that it does its work well, making good fine butter in from 2 to 8 minutes, we recommend it to all as the best Churn in market, to our knowledge.

M. WEYAND.

BEAVER, Aug. 2, 1868.

MR. CUNDALL churned for me this morning with his prize churn, he used no hot water or other unusual means of hastening the butter. In three minutes the butter began coming and in about five was ready to take out. Most patent churns are objectionable because so complicated that it requires more time to wash them than it does to churn the butter. This one can be cleaned in less time than the old fashioned dash churn. I regard it as a great improvement, and calculated to save woman much labor.

ROCHESTER FOUNDRY,

ANDERSON, ARBUCKLE & CO.

MANUFACTURERS OF MACHINE CASTINGS, Railway Track and Car Castings, Agricultural Implements, Engines and all other Castings made at a first class Foundry. Also, Stoves, Grate Fronts, Grate Bars, Lintels, Sash Weights, Hollow-Ware, Kettles, Iron Fences, and all other Castings called for, at short notice and of the very best Metal.

Also, J. J. Anderson's justly celebrated New Cook Stove for Coal and Wood, which took the

First Premium

At the State Fair recently held at Pittsburgh. This Stove combines many new and important principles, which place it far in advance of all others now in use. Some of the merits claimed for it by the Inventor, are Heavy Metal, Well Proportioned, Beauty of Style and Finish, Ease of Draft, Easily Kept Clean, Requires but little Fuel, and the

BEST BAKER EXTANT.

All orders thankfully received and promptly filled.

We Call Attention to the Following Statements:

While living in the East I used several of the most Celebrated Cooking Stoves made in that part of the country, and on my arrival here, I was recommended to purchase the Crystal Palace Stove, (also invented by Mr. Anderson) as being the best. I did so, and used it with good satisfaction. When I saw Mr. Anderson's new Stove, I was attracted by its neat appearance, and on examining its Oven and interior arrangements, found it possessed many advantages over all I had seen. I purchased, and have one now in use. We consider it superior to any we have ever used. It is all the inventor claims, and we think, all that could be desired in a Cooking Stove.

CAPT. GILBERT PENDLETON.

ROCHESTER, Nov. 21st.

Having one of Mr. Anderson's new Stoves in use, I can fully endorse Capt. Pendleton's statement.

JOHN H. WHISLER.

Having one of Anderson's new Stoves in use, I can fully endorse the above recommendation.

J. WOODRUFF.

Having one of Mr. Anderson's new Stoves in use, we are fully satisfied with its good qualities in all respects.

JOSEPH IRVIN AND WIFE.

ROCHESTER, Nov. 25th.

Having kept house for a long time, and used a great number of Cook Stoves of different patterns and styles, I consider J. J. Anderson's new Stove, in point of economy in fuel, ready cooking and baking for its size, superior to any we have used, and cheerfully recommend it, believing it will render entire satisfaction.

CHAS. LUKINS.

We have one of Mr. J. J. Anderson's new Stoves, manufactured at the Rochester Foundry, and having given it a fair trial, we find it comes fully up to all that has been claimed for it. It heats very rapidly, takes but little fuel, and is a most excellent baker. Mr. Anderson may congratulate himself on having achieved quite a triumph in the line of Cooking Stoves.

Very respectfully,

Beaver, Nov. 28d, 1867. J. S. BRACKEN.

MANUFACTURERS OF AND WHOLESALE AND RETAIL DEALERS IN

COOKING STOVES,
HEATING STOVES
GRATE FRONTS and

Ruby Cooking Stove Nos. 7, 8 & 9.

THIS STOVE TOOK THE FIRST PREMIUM AT the State Fair as a Coal Cooking Stove, and also at the late County Fair. We use no scrap iron in their manufacture, but make them exclusively of No. 1 Pig Metal, and warrant them in every respect.

The Ruby has the largest oven in the market and consumes but little fuel in baking, owing to its improved Grate.

GRATE FRONTS AND FENDERS.

We are largely engaged in the manufacture of Grate Fronts and Fenders, which we enamel in an oven common, second quality and fine finish. This enamel retains its lustre for a long time, will not burn off, and makes a much superior finish to that of Coal Tar.

SUMMER PIECES.

We are also making Sheet Iron Summer Pieces (for which we have applied for a patent) pressed up in a Hydraulic press. They are much lighter than cast Iron, and much cheaper.

HEATING STOVES.

We claim the heaviest heating Stove in the market for the size, and use the best Stock in their construction.

Our patterns are not yet complete, but it is our intention to keep a general assortment in our line.

We also took the Premium at the County Fair for Castings generally and we have entered in to the business with the determination to use the best of Pig Metal and make good work.

We respectfully request a share of the public patronage, and would be pleased to see those wanting anything in our line at our works.

Prices Low to suit the times.
